In light of the ongoing Covid restrictions, the loss of cycling for most of last year and the uncertainty of this years training and events the club committee has agreed for any current members, to forego club membership for the 2021 season. Any new or returning members should contact Sinead Power.

With regards to 2021 licenses. Due to restrictions all members are being asked to apply online and take out their own licenses.

Logon to CI by using the email address you used when registering previously, if you don't know your password just tick forgot password and a temporary one will be sent to you. For any seniors thinking of racing I would suggest only taking out a leisure license which can be upgraded if racing resumes. For youth members take out a normal license as it will work out cheaper.

Anyone out training individually should take out a license or when group training resumes, **min leisure license will be required to participate in club spins.**

Again, any issues contact Sinead Power
